Prior to examination, please amend the above-identified application as follows:

## IN THE SPECIFICATION:

Page 1, insert the following paragraph before the first line:

This is a Divisional of Application No. 09/014,572 filed January 28, 1998, the disclosure of which is incorporated herein by reference.

Page 15, please delete the second full paragraph and replace it with the

following new paragraph:

AZ

The laminate film for use in the present invention is obtained by laminating the above-described SPE or pre-SPE film on a film base material. The SPE is laminated by a known coating method such as a doctor knife method and then polymerized to cure by thermal polymerization or the like. Use of a thin film such as a metal or metal oxide
